

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

United States of America,

Case No.: 2:22-cr-00061-JAD-DJA

Plaintiff

V.

Oslay Diaz-Torres,

Defendant

Order Granting Motion for Early Termination of Supervised Release

[ECF No. 6]

8 Oslay Diaz-Torres is 19 months into a 3-year term of supervision after completing a 63-
9 month sentence for transportation of undocumented people within the United States.¹ Though he
10 was sentenced in the Southern District of Texas, Diaz-Torres's supervision was transferred to
11 Nevada based on his familial ties.² Diaz-Torres now moves this court for early termination of
12 his supervisory period.³ Neither the government nor the U.S. Probation Office opposes that
13 request.⁴ Because I am satisfied that Diaz-Torres is entitled to an early termination of probation
14 based on the 18 U.S.C. § 3553(a) factors and that such relief is in the interest of justice,

IT IS HEREBY ORDERED that Diaz-Torres's motion to terminate supervised release

16 **[ECF No. 6] is GRANTED.** His term of supervised release is TERMINATED.
